														Employee still awaiting his reimbursement. Documents were received in HQ but never processed. During the last week of Aug. 2017, I communicated with the e to obtain documents again. He does not have the documents anymore. I have prepared a package with the documents we had on file for Stéphanie on which we will stamp - TRIAT AS ORIGINAL and finally submit the package to NIRU in order for the employee to receive his package. I have verified with P50C and no reimbursement was issued to the employee for MEDI500. Sept. 1, 2017 MD. See file for all emails.
